

Many clients come to see us about, what will happen if something happens to me? What will happen if I have a temporary health event? What will happen if I have a permanent change in my health? Or perhaps a married couple will come to us and say, he's always handled the finances, what will happen if something happens to him? Well at SVA Plumb Trust Company, we can help you through those life events. We can work with you, with your surviving spouse, with your family, with your children to help you get through those types of things. We can step in at any time and pay bills, we can help with your health insurance claims processing, with your personal property, with your real estate. Whatever needs to be done, we can do it as your trusting.
